

Masterfully planned.

ENVISION

Embody EMBRACE

Where you live says who you are.

You don't get a second chance to make a first impression. So that first one better speak volumes. Green spaces, check. Eco-friendly park at centre, check. Tree-lined promenades and lush plant-lined perimeters, check and check. Inside Aristo: ultra posh amenities and complimentary shuttles chauffeur homeowners to the Yonge and Sheppard subway during peak hours. Enough said.

Avonshire park will not be complete or available for use at the time of occupancy. The park will be completed in conjunction with future site development. Specifications and landscape design subject to change without notice. E. & O.E.
